Our history

In 1963, a young church-pioneering family moved into the capital city of Canada to establish a contact point between Heaven and Earth, where people who did not know God would have an opportunity to experience

His great saving power. In March of 1963, founding pastors Arthur and Florence Downing opened the doors to Calvary United Pentecostal Church of Ottawa.

With their deep sense of sacrifice, the Downings saw the church grow from a few families in the Ottawa area to an ever-increasing number of attendees and a new building on 1 Main Street. Ten years after starting the church, the Downings turned the leadership over to Fred Morris, who worked diligently to grow and expand the ministry that was Calvary Church. On December 5, 1975, a young man named Garland Hanscom moved to Ottawa with his wife and newborn baby boy and accepted the call of God to shepherd Calvary Church.

Under Pastor G.A. Hanscom's leadership, Calvary Church moved from 1 Main Street to a newly built church at 1771 Cuba Avenue in 1977. On Cuba Street, there was a great revival and explosion of growth as Calvary Church pursued its purpose of being a portal between Heaven and Earth for people to experience the saving power of an almighty God.

In 1997, after 20 years of ministry, Pastor G.A. Hanscom felt God wanted him to lead Calvary Church into another building program. 1681 Cyrville Road was miraculously purchased, and a beautiful 18,000-square-foot building was constructed to minister to all those who desired to know God and His saving power.

Jeremy and Karina Hanscom were elected as lead pastors on March 11th, 2009, and accepted the calling and responsibility to lead and love the people of Calvary Church. Over the past 15 years, Calvary

Church has experienced the continued blessings of God. Multiple families of all nationalities and languages have made Calvary their home church and place of worship. Over the last few years, Calvary has seen an increase in guests from all age groups, as many have made Calvary their House of Worship and Teaching.

In 2014, an aggressive God-led financial campaign was launched that saw Calvary give 1.5 million dollars to construct a new building on the property of 1681 Cyrville Road. Through the challenges of a global pandemic, God helped us erect a new house of worship and training center. We were adding 24,500 sq ft to our already existing structure. Bring us to 42,500 sq ft of building to magnify God and grow people in God. The history of Calvary Church has been focused on the whole gospel to the whole world for the glorification of Jesus Christ.

Reaching our goal

6 Important Steps to Determining God's Will

1. Begin By Praying

Ask the Lord to help you give sacrificially, showing you an amount to give that will stretch your faith.

2. Give It Time

Don't rush into a decision. The longer you prayerfully consider your commitment, the clearer the amount the Lord wants you to commit will become.

3. Talk About Your Commitment as a Family

Discuss ways to give with your family. Be sure to involve your children. This is a great opportunity to teach giving and faith.

4. Study Biblical Promises and Instructions

These passages are a good place to start:

Proverbs 3:9-10; 11:24-25

Matthew 6:19-20

Luke 6:38

I Corinthians 16:1-2

II Corinthians 8:1-12, 9:6-12

5. Think In Specific Amounts

Get a sense of your giving potential by asking these questions: Are there income dollars we could dedicate to our campaign? What ways could we adjust our expenses in order to make a larger commitment? Is there anything we could sell to help us give toward this project?

6. Decide as a Family

After discussing your family's commitment, strengthen that commitment during a time of family prayer.

10 Creative Adjustments that Can Help Us Achieve Our Goal

1. Clip Coupons

Taking the time to search for deals can save \$10-\$20 per week. Ten dollars a week for 12 months is \$520.

2. Skip one meal a week as a family

At an average of \$35 per family, skipping one meal a week and devoting that time to prayer could save \$1,820 in 12 months.

3. Give up a habit

An almond latte three times a week for 12 months costs more than \$741

4. Give God your income tax returns for the next year

5. Drink only water at restaurants

You could save \$5-\$10 a week or more. That's between \$260 and \$520 over 12 months.

6. Postpone a major purchase and commit the money to the campaign

7. Commit raises, bonuses and overtime to the campaign for the next 12 months.

8. Continue a bill payment

If you pay off something like a car or a student loan, continue to "pay the bill" by redirecting those funds to the campaign.

9. Increase your giving by \$1 each week

Start by giving one dollar the first week, then two, and so on. If you were to do this for 156 weeks, you would give \$1,378.

10. Buy a car for the campaign

Not an actual car, but give what you would spend on a car each month to the capital campaign.

Our 12 month goal

Challenge:	\$750,000
Summit:	\$850,000
Miracle:	\$1,000,000

3 steps to determining your commitment level

1. Pray...

Pray and ask the Lord what He would have you give over the next 12 months. Prepare your heart to respond to God's call to action.

2. Obey...

Obey the voice of God and make a commitment to give the specific amount the Lord gives you peace in your heart to give.

3. Talk About Your Commitment as a Family

Discuss ways to give with your family. Be sure to involve your children. This is a great opportunity to teach giving and faith.

Our story in our own words

Joy and Uyi “Our immigration challenge was transformed into a testament of God’s love and power.”

Our family was in an immigration journey for over 11 years. We believed it was a right path for us, but the immigration process proved to be far more daunting than we could have ever imagined. It was in those moments of despair and doubt that we witnessed the incredible power of faith and miraculous intervention of God.

We encountered numerous obstacles on our immigration journey, from delays, denials, to finally loss of our permanent resident status in 2019. At the time, it seemed we were trapped in a cycle of disappointment and frustration. We had invested so much time, effort, money and hope into the process, and it felt like our dreams were slipping away.

In our darkest moments, we turned to our faith and our church community. Together, we continued to pray, believing that God had a plan for us, even if it seemed hidden from our view. Then a breakthrough happened that could only be described as a divine miracle. A process that is normally 24 to 36 months took only 7 months, even in the peak of the pandemic. A series of events transpired, defying all odds. By God’s favor, grace and mercy, we bought a house and are permanent residents again. The journey that was once filled with obstacles, now stands as a testament to God’s love and incredible power to turn the impossible into a reality.

Oxtabee family “You truly cannot out-give God.”

As we prayed for God’s direction for the B2G campaign, we both felt strongly that we were being asked to stop our monthly financial investing, and instead take that money and invest it into the Kingdom. We were obedient and redirected our monthly investing into the B2G campaign. When we did, God blessed one of our other investments exponentially. The increase we saw in our investments during B2G was far greater than anything we could have ever achieved on our own. God’s promise of good measure pressed down and running over is absolutely real (Luke 6:38).

Adam and Katie Duplessis “God knew what He was doing, and He gave us an incredible blessing!”

In September 2015, our company changed group benefit insurance provider and the 100% coverage I had for a device called a Continuous Glucose Monitor, which is used to monitor and manage my blood sugars, was lost. It is an expensive device to use and we didn’t know what to do. After some careful consideration we decided that it was worth the cost to keep using it, even if we had to pay for it out of pocket. We prayed and told God that if he provided the coverage, we would give any money we got back from the insurance company to the B2G campaign. A few days later we got word that the new insurance company would provide the 100% coverage, allowing us to give that money to B2G!!

Adam Duplessis family “God’s timing is perfect”

In March 2016, my Endocrinologist (diabetic doctor) asked me if I had ever heard of the Disability Tax Credit. I told her that I hadn’t, and she said that as a diabetic I was able to qualify for it. I looked it up online and I figured that if my doctor felt that it was something I should apply for then maybe God was providing a way to a blessing. At my next appointment in September 2016, I brought her the forms that were required, and she reviewed everything and signed them off, as the Government requires a doctor to approve the form confirming that the patient should be getting the credit.

A couple of weeks later I got a letter from the Canada Revenue Agency saying that they had reviewed and approved my application for the Disability Tax Credit. The letter didn’t say anything about how much money I would qualify to get, and I didn’t really know what I was supposed to do next. However, on Friday the 23rd of December I went online and saw that there was a tax refund from the Government of Canada for an amount of \$13,458.93!! An amazing thing is that I’ve had the same doctor for about 18 years, and she had never mentioned that this tax credit was available to diabetics. If she hadn’t said anything to me about it, I would never have known this was possible.

Diane McLaughlin “Giving is spiritual not physical. It does not make sense yet it’s perfect.”

When the call came to the church to support our pastor’s vision “ To make room for others” I wanted to join with whatever I could do. many changes had occurred that had affected my finances. Others would of thought the timing was bad. I wanted to take part and lean on God like I had never before.

I sat down with pencil and calculator and did my homework. Then to that total, I added my faith number and was pleased with what I saw. God told me He was pleased as well. Then He told me to double it! After more prayer, I could not shake it and simply obeyed.

Miracle after miracle, God helped me reach my commitment. I love God’s math! He multiplies beautifully. This impossible challenge, once met, increased my faith to believe anything and that became evident in my spiritual life. Yes, God blessed me financially; but much more spiritually.

Mame McCrae family “When God has something for you, nothing can take it from you”

I went on maternity leave in 2016, and I got an unexpected text from my boss a few months later. She was attending an international conference in

South Africa and she was texting me, her entry level employee, to tell me she thinks I should apply for her job.

I agreed to apply, but I was aware that jumping from entry level to leadership level in the federal government was not common. Nevertheless, through every phase of the competition process, God placed me at the top and left everyone no doubt that I belonged in the contest. I was invited to my Director’s office for a meeting and told they were prepared to offer me my boss’s job. But there was one catch.

Every other candidate that made it into the pool of qualified applicants had the required level of French for this management position. But, because I had qualified so high above all the other candidates, they were willing to hold off on appointing a winner. The Director of our division was willing to pay for me, an entry level employee, to be away from work for 8 weeks to do thousands of dollars of full time training at the cost of the department in order to get me the French qualification I need to appoint me to my boss’s position over the higher level candidates that applied and made it into the pool. This just does not happen. When we give to God, God gives back to His people.

The process to determine your commitment level

PRAY...

Pray and ask the Lord WHAT He would have you give over the next 36 months. Prepare your heart to respond to God's call to action.

Ephesians 3:20-21 ²⁰Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, ²¹Unto him be the glory in the church by Christ Jesus throughout all ages, world without end. Amen

OBEY...

Obey the voice of God and MAKE a COMMITMENT to give the specific amount the Lord gives you peace in your heart to give.

Matthew 6:19-21 ¹⁹Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: ²⁰But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: ²¹For where your treasure is, there will your heart be also.

Psalms 54:6 ⁶I will freely sacrifice unto thee: I will praise thy name, O Lord; for it is good.

TRUST...

Trust God to do SOMETHING MIRACULOUS in your life. Let it be something that could only be credited to His Hand. Trust Him to SUPPLY AND PROVIDE. God is waiting for us to believe He can perform that which we have committed to Him.

John 2:5 His mother saith unto the servants, Whatsoever he saith unto you, do it. (and after their obedience Jesus turned water into wine...)

Luke 6:38 Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.

2 Corinthians 9:6-7 ⁶But this I say, He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully. ⁷Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver.

Purpose of this worksheet

This worksheet will help you clarify where you are spending your income **each month** and reveal expense items that could be reconsidered, eliminated or adjusted in order to meet and sustain your **monthly sacrificial financial commitment**.

How to use the “Adjustable Monthly Expense” worksheet

Step 1

Estimate how much money you are spending on a monthly basis in each area listed on this chart. Pro-rate any quarterly, yearly, or one-time expenses into a monthly amount.

Step 2

Prayerfully review this list and ask yourself if there are any items the LORD may be showing you that:

You don't really need and could eliminate in order to commit to the Capital Stewardship Campaign.

You could meet this need more affordably by comparing costs or lowering expectations.

You could decrease or eliminate because this item may affect your overall health.

You could delay or trust God to meet this need in another way.

Record those items and their monthly expenses in the column marked “Adjustments.”

Step 3

Enter the total of all “Adjustments” per category into the column marked “Total Monthly Adjustments.”

Discover giving potential by adjusting EXPENSES

Purpose of this worksheet

This worksheet will help you clarify where you are spending your income **each month** and reveal expense items that could be reconsidered, eliminated or adjusted in order to meet and sustain your **monthly sacrificial financial commitment**.

How to use the “Adjustable Monthly Expense” worksheet

Step 1

Estimate how much money you are spending on a monthly basis in each area listed on this chart. Pro-rate any quarterly, yearly, or one-time expenses into a monthly amount.

Step 2

Prayerfully review this list and ask yourself if there are any items the LORD may be showing you that:

You don't really need and could eliminate in order to commit to the Capital Stewardship Campaign.

You could meet this need more affordably by comparing costs or lowering expectations.

You could decrease or eliminate because this item may affect your overall health.

You could delay or trust God to meet this need in another way.

Record those items and their monthly expenses in the column marked “Adjustments.”

Step 3

Enter the total of all “Adjustments” per category into the column marked “Total Monthly Adjustments.”

Step 4

Enter a specific amount from each category recorded in the “Total Monthly Adjustments” column that you would like to commit on a monthly basis to the campaign and place that amount in the column marked “Amount Monthly Committed.”

Step 5

Transfer your Expense Adjustment Total in the space provided on page 33.

Prayerfully review this list and inquire of the LORD which items He would like you to commit to the Capital Stewardship Campaign. This worksheet will help you discover significant resources that the LORD has given you, resources that can now be used to **build His church and fulfill your destiny as a member of the Body of Christ.**

15 creative lifestyle adjustments that can help us achieve our goal

1. Clip Coupons

Taking the time to search for deals can save \$10-\$20 per week. Ten dollars a week for 12 months is \$120.00.

2. Skip one meal a week as a family

At an average of \$40 per family, skipping one meal a week to devote to prayer could save \$2,080.00 in 12 months.

3. Give up a habit

An almond latte three times a week for 12 months costs more than \$741.00.

4. Give God your income tax returns for the next year.

5. Drink only water at restaurants.

You could save \$5-\$10 a week or more. That's between \$260 and \$520 over 12 months.

6. Postpone a major purchase and commit the money to the campaign.

7. Commit raises, bonuses and overtime to the campaign for the next 12 months.

8. Continue a bill payment

If you pay off something like a car or a student loan, continue to "pay the bill" by redirecting those funds to the campaign.

9. Increase your giving by \$1 each week.

Start by giving one dollar the first week, then two, and so on. If you were to do this for 52 weeks, you would give \$1,378.

10. Buy a car for the campaign.

Not an actual car, but give what you would spend on a car each month to the capital campaign.

11. Cancel a Membership.

12. Sell certain assets-cars, boats, motorcycles, real estate, etc.

13. Commit Inheritances.

14. Liquidate Stocks, Bonds, GICs, Saving Bonds, Mutual Funds, and other Financial Instruments.

15. Dedicate a percentage of your business revenues.
